

Welcome, we are glad you have chosen to join us at the Orchid Lounge.

Orchid Lounge, formerly Cuban heels, has a new Management team that have vision and a desire to satisfy every pallet, we have an exquisite menu that consists of the truly loved Mediterranean food accompanied with sumptuous Tapas.

We believe Orchid Lounge to be a truly unique venue which offers everything, including the beauty of the acoustic guitar on a Thursday evening and some lunch times. This most definitely creates a warm, relaxed atmosphere and ambience designed to melt every heart.

From those one to one special encounters to a family occasion to remember forever. The alcoves offer the privacy and intimacy for those romantic hideaways.

It is our aim to offer quality food, quality service and an occasion to remember at an affordable price. With this in mind, all our food is prepared fresh and is bought locally or flown direct from Spain, to ensure the best possible results.

We hope you understand that some of our dishes make take up to 40 minutes preparation, we have pride in the meals we prepare and this is reflected in the taste, which hopefully, you will agree with.

Enjoy!
